Time for Your Child To Grow and Flourish!

IcleTime is a premium brand specializing in growth periods, dedicated to properly nurturing children from start to finish as they grow.

Customized growth solutions for growing kids!

“Customized height growth solutions tailored to age, body type, and lifestyle”

IcleTime

Since its launch in 2016, **IcleTime** has proudly held the No.1 position in height growth support. But rather than settling, we've continuously listened to the voices of countless parents constantly exploring better ways to help children grow stronger and healthier.

Every child grows in a different environment.
Can they all grow tall just by eating the same thing? The answer is no!
That's why **personalized height support** based on your child's **age, body type, and lifestyle** is essential.

With over **10 years of expertise**, **920,000 growth data points**, and valuable parent feedback, the renewed **2025 IcleTime** now delivers enhanced **ingredients (like FGO)**, improved **functionality**, **optimized dosage**, and even **better taste**.

Let IcleTime fill in every gap in your child's growth journey!
